

INFORMATION ABOUT OPPORTUNITY CLASSES AND SELECTIVE HIGH SCHOOLS

NSW public schools offer a range of opportunities for gifted and talented students including opportunity classes and selective high schools.

Opportunity classes and selective high schools form part of the NSW Department of Education's commitment to identify and provide a range of opportunities for gifted and talented students in NSW.

Selective high school and opportunity class placement is most appropriate for those students classified as having very high to extremely high academic merit.

Please access the web address below for further information if you are considering a placement for your child in the near future.
