

Step1 Nominations are taken from Year 5 students.

Step2 The interested nominees will meet as a group with the Assistant Principal of Stage 3 to discuss the criteria.

Step3 Nominees fulfil criteria sheet. Signed off by parent and class teacher. Nominees who can't fulfil all criteria and behavioural expectations on the sheet will not be eligible for the ballot.

Step4 If there are more than 8 nominees of any gender, candidates will be culled through the following process:

- * Year 5 students and teachers will vote for 8 boys and 8 girls to give speeches at the special assembly.

Step5 Nominees will appear on ballot form with their school photo and present speeches, in a random order, as compiled in conjunction with 2 members of the JPPS Executive.

Step6 Nominees present speeches of not more than 2 minutes at the assembly.

Step7 Years 2-5 votes are conducted immediately after the assembly on the Google form voting sheet. Teachers should set up 4-5 laptops and cycle students through the voting. Teachers complete separate Google form for staff.

Step8 A first-past-the-post voting system is utilised to determine the leadership team consisting of 6 students (3 boys and 3 girls) – 2 captains (1 boy and 1 girl) and 4 vice captains (2 boys and 2 girls). Combined teacher votes are worth 50% of the total ballot.

Step9 Once all the votes have been tallied, the names of the 6 successful nominees are reviewed by the Principal and Deputy Principals, typed onto a document and sealed in an envelope.

Step10 School Captains and Vice Captains are announced at the Excellence Assembly of the same year.

Step11 House Captains and Vice Captains are selected and announced early in Term 1 of the following year. These nominations will come from the criteria sheet. Students who have been successful in School Captain/Vice-Captain elections will be ineligible for House Leader positions.
